INSTRUCTIONS FOR COMPLETION OF FORMS

1. SAFETY PERFORMANCE HISTORY RECORDS REQUEST:

(40.25)(391.23) Each motor carrier must investigate each driver's safety performance history with each of the driver's DOT-regulated employers during the preceding three years. The investigation may consist of personal interviews, telephone interviews, letters, or any other method for investigating that the carrier deems appropriate. A written record must be kept with respect to each previous employer contacted, or good faith efforts to do so, and must include the previous employer's name and address, date of contact or the attempts made, and the information received about the driver. The record must be placed in the driver investigation history file within 30 days of the date the driver's employment begins. The record must be maintained pursuant to Section 391.53. (Form No. 850-F or 850-FS-C3)

2. PREVIOUS EMPLOYEE SAFETY PERFORMANCE HISTORY:

(391.23) Each motor carrier must investigate each driver's safety performance history with each of the driver's DOTregulated employers during the preceding three years. The Previous Employee Safety Performance History form allows a driver's previous employer to document the driver's safety performance history upon termination of employment. The completed form can then be forwarded to the driver's prospective employer(s) upon request. The information must be forwarded within 30 days of the request. Previous employers must keep a record of each request and the response for one year, including the date, the party to whom it was released, and a summary identifying what was provided. The information on this form must be kept on file until three years after termination date. (Form No. 854-F) NOTE: The Previous Employee Safety Performance

History is not required for DOT compliance.

The employer and its agents and insurers must take all precautions reasonably necessary to protect the driver safety performance history records from disclosure to any person not directly involved in the hiring decision or in forwarding the records. The employer's insurer may also access the records, except any alcohol or controlled substances information. (§§391.23(h) and 391.53(a)(1))
