

# **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

## **5-Minute Safety Talks Topics**

### **A/B/C**

Acrylonitrile

Air Contaminants

Air Permits

Americans With Disabilities Act

Anhydrous Ammonia

- a. An Overview
- b. Refrigeration Units

Asbestos

Automatic External Defibrillators (AEDs)

Behavior-Based Safety

Benzene

Bloodborne Pathogens

- a. An Overview
- b. Hepatitis B
- c. Universal Precautions

1,3-Butadiene

Cadmium

Carbon Monoxide

Chemical Protection

Coke Oven Emissions

Cold Weather

- a. Cold Related Illnesses
- b. Winter Weather Hazards

Compressed Gases

- a. An Overview
- b. Handling Compressed Gas Cylinders

# **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

## **Confined Space, Permit-required**

- a. Air Monitoring
- b. An Overview
- c. Entry/Exit Preparations
- d. Rescue

## **Corrosives**

## **Cotton Dust**

## **Cranes**

- a. An Overview
- b. Crawler Locomotive & Truck
- c. Daily Inspection
- d. Overhead and Gantry

## **D/E/F**

## **Diesel Exhaust**

## **Dipping and Coating Operations**

## **Disaster Recovery**

## **Electrical Safety**

- a. An Overview
- b. Accident Prevention
- c. Arc Flash & Blast
- d. Introduction to Electricity

## **Emergency Response Action Plan**

- a. An Overview
- b. Severe Weather

## **Employee Access to Medical Records**

## **Environmental Issues**

- a. Hazardous Waste
- b. Used Oil

## **Ergonomics**

- a. An Overview
- b. Office Ergonomics
- c. Reducing Hazards
- d. Repetitive Motion

## **Ethylene Oxide**

# **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

## **Exits (egress)**

- a. Designated Path
- b. Maintaining a Safe Exit
- c. Required Signage

## **Eyestrain and Computer Vision Syndrome**

## **Fall Protection**

- a. An Overview
- b. Inspecting Harnesses/Lanyards

## **Family And Medical Leave Act**

## **Fire Protection**

- a. Fire Extinguishers
- b. Fire Prevention Plans

## **Flammables and Combustible Liquids**

- a. An Overview
- b. Storage

## **Floor and wall openings**

## **Formaldehyde**

## **G/H/I**

## **Hand and Portable Powered Tools**

- a. Abrasive Wheels
- b. Hand Tools
- c. Powered Tools

## **Hand Washing**

## **Hazard Communication**

- a. Labels and Labeling
- b. MSDS (Material Safety Data Sheets)
- c. Physical & Health Hazards
- d. Written Program

## **Hazardous Waste Operations and Emergency Response (HAZWOPER)**

- a. An Overview
- b. Emergency Response Plan
- c. Spill Cleanup

## **Hearing protection**

# **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

Hot Weather

- a. Heat-Related Illnesses
- b. Sun Protection

Housekeeping

Inorganic Arsenic

Introduction to OSHA—Inspection Priorities

ISO 14000

## **J/K/L**

Laboratories, Hazardous Chemicals

Ladders & Stairways

Latex Allergy

Lead

Lifting Techniques

Lightning Safety

Liquefied Petroleum Gases

Lockout/Tagout

- a. An Overview
- b. Deenergizing Equipment
- c. Reenergizing Equipment

Lyme Disease

## **M/N/O**

Machine Guarding

- a. An Overview
- b. Mechanical Hazards
- c. Preventing Amputations

Medical Services and First Aid

- a. Eye Wash and Safety Shower
- b. First Aid
- c. Be Prepared—Know First Aid

Metalworking Fluids

4,4'-Methylenedianiline

Methylene Chloride

# **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

## **P/Q/R**

### **Personal Protective Equipment**

- a. Eye Protection
- b. Face Protection
- c. Foot Protection
- d. Hand Protection
- e. Head Protection

### **Pesticides**

### **Powered Industrial Trucks**

- a. An Overview
- b. Battery Charging
- c. Handling Loads
- d. Performing An Inspection
- e. Truck Operations

### **Powered Platforms**

### **Preventing Mold Growth**

### **Process Safety Management of Highly Hazardous Chemicals**

### **Recordkeeping—Injuries and Illnesses**

### **Respiratory Protection**

## **S/T/U/V**

### **Sexual Harassment**

### **Signs and Tags**

### **Site Security**

- a. Employee and visitor identification
- b. Entering the building
- c. Explosive theft
- d. Suspicious mail or packages

### **Sling Safety**

### **Slips, Trips, And Falls**

### **Solvents**

### **Spray Booths**

### **Stress Management**

## **KELLER'S 5-MINUTE WORKPLACE SAFETY TALKS**

Substance Abuse

- a. An Overview
- b. Alcohol and Other Drug Abuse

Toxic and Hazardous Substances—13 Carcinogens

Truck Driver Drug & Alcohol Use

Utility Knife Safety

Ventilation—Abrasive Blasting

Vinyl Chloride

Voluntary-Use Respirators

### **W/X/Y/Z**

Walking-Working Surfaces

Welding, Cutting, and Brazing

- a. An Overview
- b. Fire Prevention

West Nile Virus

Whistleblower Protection

Wire Rope Safety

Workplace Violence
